Making Markets to Make a change

Optiver 

Nils Voss

- Originally from Hannover
- Studied in Aachen
- PhD in Computing at Imperial College
- Been with Optiver for 2 years

Optiver

- Proud owner of a pizza oven
- I recently ordered 20 kgs of mangos by mistake
- I like to cut cookies in a precise way (see evidence)

Optiver 

What is a market maker?

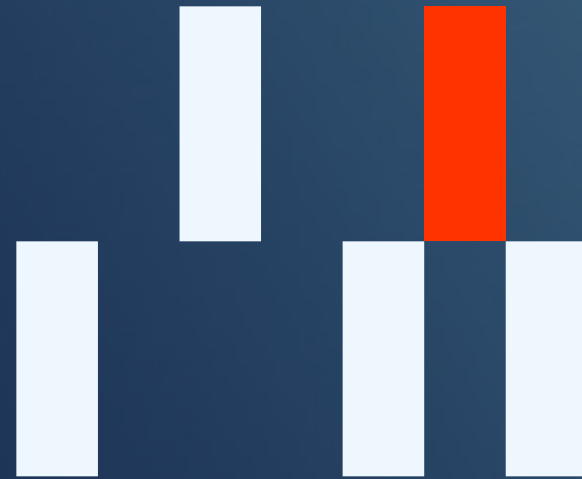

Let's play a game!

Optiver 

Our challenge today

- Develop a trading strategy for the next 36h
- Trade algorithmically using our **simulated exchange**
- **Live competition** between all participants

Optiver 

Sounds interesting?

Come to our workshop to get an in depth explanation of the challenge !

We will hand out sweaters as well 😊
